## THREE OUTSIDERS WIN AT BENNING

Only Two Favorites Run in the Money at Washington Track.

## OXFORD PERFORMS NOTABLY

With Top Weight He Easily Outclasses Remainder of Field. Looks Fit for Carter Stakes.

WASHINGTON, April 12.—Two favorites, one second choice and three outsiders won the six events at Benning today. The winning favorite, besides Oxford, was Senator Barrett. With the exception of the last race, the card was below the average.

There was, however, one two-year-old race which excited a considerable interest because it brought out a trial of strength between the Columbia stable's Ben Cole and John E. Madden's Servile. These two geldings have shown some class in their races at this meeting. Ben Cole went to the post the favorite at 2 to 1. Servile and his stablemate, Kate Carnay, were coupled in the betting and quoted at 7 to 1. Servile and Ben Cole ran head and head for three furlongs, when the Madden gelding drew away and won by half a length. The finish was a driving one and Servile clearly outclassed Ben Cole. One of the real good things of the day dropped out in the fifth race, a seven-furlong dash for maiden three-year-olds. Canvas, owned by Sidney Paget, and trained by Theo. Coles, was looked upon as a sure thing, and was heavily played by the Coler-Gartley following. Canvas led for six furlongs, when, much to the surprise of the crowd, Rosier Dulaney's Mammy Moo, with a stable boy up, came from behind and won by two lengths, going away. Mammy Moo was quoted at 15 to 1 in the betting. Mammy Moo was a two-year-old and was a good thing on numerous occasions. He ran repeatedly last year at Benning and Pimlico in the spring and fall, but rarely came in the money.

The last race on the card, a handicap for three-year-olds and upward, at one mile, proved to be a good thing for James McLaughlin's Oxford. Against Oxford were Ormond's Right, Faust and Buttons. Oxford was always the favorite, and well ridden by Miller, he got away first and held an easy lead all the way. Ormond's Right sukked and refused to respond when Mr. Daniel called on him in the stretch. On the form he showed to-day Oxford should give a good account of himself in the \$10,000 Carter Handicap at Aqueduct next Monday.

## ENTRIES WANTED FOR TRACK MEET

Bright Outlook for First Annual Outdoor Field and Track Games.

## HANDSOME PRIZES OFFERED

Twelve Intercollegiate and Three Prep. School Events on Card.

The management of the Virginia State Intercollegiate Track Association has sent out entry blanks for the first annual field and track games that will be held under the auspices of this new organization. The meet will take place in this city at the State Fair Grounds on May 4th.

This, the third field and track meet that has ever been held in the capital of the State, is expected to far surpass the two indoor meets which were held in the horse show building last winter and two years ago. It is as has already been mentioned in these columns, to be strictly a State affair, and so far the management has received intimation from every institution in the State that they will be represented in this banner meeting.

There will be twelve intercollegiate events on the card, and as an added attraction three scholastic events and relay races for high and prep. schools and colleges, respectively, have been arranged. The college events are 100-, 220- and 440-yard dashes, 880-yard run, mile run, 120- and 220-yard hurdles, shot put, hammer throw, pole vault and running.

The officials have sent in orders for handsome prizes to be given to first, second and third men in all of the open events. Individual medals will be presented to members of winning relay teams, and a handsome silver loving cup is offered to the institution winning the greatest number of points. The score will be counted first, second, third and fourth men to score 5, 3, 2 and 1 points, respectively.

All entry blanks are requested to be sent to Robert N. Pollard, director of games, 503 Mutual Building, Richmond, Va. The entry lists close on or before April 27th.

## SPIDERS ENTER TEAM IN INTERCOLLEGATES

The athletic authorities at Richmond college announced the intention of sending a track team to Charlottesville, Va., to compete in the open events of the Southern intercollegiate outdoor championship field and track games to be held under the auspices of the Virginia University Athletic Association.

This is the first time that the locals have gone in for this branch of sports so extensively, and those in charge of athletics at the college are to be congratulated on arousing enthusiasm to its present extent. Every day that the men can get out they put in two or three hours hard work in training for the various events in which they will be entered. While there is a large number out, it is hardly probable that more than five or six men will go to Charlottesville to compete. As this is practically the last attempt of the Spiders it would be impracticable to send a large number of competitors, or to even attempt to send a relay four, for this and various other reasons hardly more than half a dozen will represent the red and blue.

The men who have shown the best form so far, and who will probably be held responsible for the athletic honors at Richmond College, are Miller in the shot-put, and Lathen, Geoch, Richardson and Robinson in the open events.

## VETTER AND KELLY WILL BE RELEASED

Men Failed to Show Proper Form and Will Receive Walking Papers.

## "HAPPY" ECKSTONE ARRIVES

New Light Thrown on the Norfolk-Newport News Baseball Deal.

It has been definitely ascertained that Manager Pop Shaffer, of the local baseball club, will let go two of the men who have been training with the club since it started in on the spring preliminary work. The two men who are slated to be released are Vetter, a catcher, and Kelly, who has been trying for one of the outfield positions.

Although Manager Shaffer would not admit last night that these two men are the ones who will receive walking tickets, it has been pretty well known by those in the "know" in baseball circles that the work of these two players has not been of a startling nature in the practice games. True, neither has played in many games, and they have had, therefore, but little chance to show their capabilities to the fans.

However, the fact that Shaffer has practically decided to let them go, and it is pretty well conceded that he will do so, should satisfy the fans as to the players' inability to hold down positions on the fast team that represents Richmond this season.

It is safe to say that a man of the rare ability of Shaffer in being able to see a man's faults or weaknesses in the case may be, would not let any one go unless he were sure of his ground before doing so.

This now leaves the club with no one to carry as a utility player. At present there is not one substitute on the squad, and should the club be called in to-morrow's game, a pitcher or a catcher would have to go in to fill out.

The pitching staff will be strengthened today when Happy Eckstone, who won twelve out of thirteen of the last games he pitched last season, will reach the city from Blacksburg, where he has been coaching the Virginia Polytechnic Institute for the past six weeks.

When asked what he thought of the deal President Otto Wells is trying to put through in regard to the selling of the Norfolk baseball franchise to the Norfolk News, Manager Shaffer had but little to say except that he had a good hunch that it would be acceptable to the Newport News people, and that he was certain that the sale would be consummated.

A new light was thrown on the case last night when a Richmond man, who is closely associated with the game, made the following statement: "I am admitted in baseball circles that the Newport News made a mistake in the line of a bluff to prod along the Norfolk people and make them pay less attention to the cost of the franchise to the game. However, when it was perceived that Newport News would probably be able to pay what was asked and afford better facilities for existing circumstances, Mr. Wells took the matter seriously. The very fact that he allowed a few more days is due to the prospective owners after having stated positively that he would wait no longer than the 1st of May, Thursday, shows that the sale of the club to Newport News for \$5,000 is more than agreeable to him."

The heavy rainfall of yesterday put the Broad Street Park grounds in such a state that the Managers Shaffer and Dunn decided to delay the game between the Lawmakers and Baltimore, which was scheduled for yesterday afternoon.

If it clears in time, and the sun comes out this morning, there is little doubt that what was to have been the second of the closest races in this afternoon between the same two teams will be played. The infield is well watered, and the outfield takes but little sun to dry out.

Of course, no practice could be gone through yesterday, but as soon as the Baltimore players reached town, they went direct to their rooms and then gathered in the lobby of the Allen Hotel and did some tall fanning with the locals. The game will be a fine fettle to start in the Eastern League season, and although Jack Dunn is claiming no payment of the closest races in the history of the league, and contentedly expects the Orioles to fight it out to the last day of the season, it is leading they won't be far behind, according to Jack.

The Portsmouth club has secured the services of Infielder Jimmie Sharpe, who played with the Poughkeepsie Club, Hudson River League, last season. Manager Moss is expecting great things of his new recruit, and thinks that he should show up near the top in both fielding and batting at the end of the season.

Outfielder Carl White, who has been trying for a berth on the Portsmouth team, has been released by Manager Moss because of his inability to hit. White, a former champion player, will take the released man's place.

Harry Brown, who was sent back home by Manager Shaffer on Thursday, was the recipient of a ticket to his game in Blacksburg, Va., and enough money to carry him through. Old One still, one of the league's star pitchers last year, was the originator of the scheme to have the local players chip in and send the lad home with a bit of change.

**RAIN PREVENTS GAME.**  
Lynchburg and Williamsport Teams Unable to Play.  
[Special to The Times-Dispatch.]  
LYNCHBURG, VA., April 12.—Rain prevented the game between the Lynchburg and Williamsport of the Tidewater League, and the local Virginia League team. This is the fifth game stopped by bad weather since April 1st.

## PROMISING INFIELDER

"COUNT" O'NEIL.

Shaffer's candidate for honors at the second sack. O'Neil is the only candidate in the field for this position, and it seems likely that he will be retained through the season. O'Neil has shown up as well as any man on the team. He plays his position well, and at the bat he has performed with the best of them. He can always be counted on for a hit, and that is what Manager Shaffer most desires.

## EXCITING GAME ENDS IN A TIE

Columbia and Savannah Go Seventeen Sensational Innings to a 1-1 Score.

## NO SCORING AFTER FOURTH

Both Sides Have Men on Third Several Times, But Necessary Hit Is Not Forthcoming.

SAVANNAH, GA., April 12.—One of the most remarkable early season games in baseball ever seen here was played this afternoon between Columbia and Savannah, of the South Atlantic League, neither side being able to win in seventeen innings.

Columbia scored first in the third inning, and Savannah evened up the score in the fourth. After that, both pitchers set out to their tasks, and until it was too dark to see the ball the play was of the most sensational character.

In the eighth inning, Savannah had three men on bases, with no one out, and was unable to score. Three times Columbia had a runner on third and was unable to bring him in.

In the seventeenth inning, with one out and three men on bases, Ford, the Savannah pitcher, hit to Helman, who was confused as to where to throw the ball. The runner on third did not start home and the runner on second ran up on him. Ford hit a very fast ball, and the throw to first, ending the game.

Helman, for Columbia, a veteran pitcher of this league, and Ford, of Savannah, recruited from the New Orleans winter league, pitched wonderfully. Both pitchers were steady and accurate at critical moments. Both sides were charged with two errors each, and Savannah had a slight lead in the matter of hits, securing eleven to Columbia's ten.

The score by innings: R. H. E.  
Savannah.....0 0 0 0 0 0 0 0 0 0 1 1 0 2  
Columbia.....0 0 0 0 0 0 0 0 0 0 0 0 1 0 2  
Batteries: Ford and Kohlhoff; Helman and Smith. Time, 3:10. Umpire, Davis.

Macon, 7; Augusta, 6.  
AUGUSTA, GA., April 12.—To-day's game closed unsatisfactorily for the local team, and with a howl of protest when Mace called a runner out at the plate.  
The score by innings: R. H. E.  
Augusta.....0 0 0 0 0 0 2 0 1 0 2 7 7  
Macon.....0 0 0 0 0 0 0 0 0 0 0 0 0 0 0  
Batteries: Platt, Comminger and Evers; Fox and Harnish. Time, 1:56. Umpire, Mace.

Jacksonville, 4; Charleston, 0.  
JACKSONVILLE, FLA., April 12.—The close holding of the locals and the excellent box work of Lee gave the game to Jacksonville to-day.  
The score by innings: R. H. E.  
Jacksonville.....0 0 0 0 0 0 0 0 0 0 0 1 1  
Charleston.....0 0 0 0 0 0 0 0 0 0 0 0 0 0 0
